Message from the Mayor

Since our last newsletter, Officer in Charge Walter Marks has been appointed as Chief of Police for the Town of Onley, and Jack Pierson has been appointed to Town Council and is our new Vice Mayor. Congratulations to both of them!!

I would like to apologize for the last newsletter not getting delivered to all residents. The Town Council agreed to be responsible for their delivery, but that did not happen with the last issue.

Neighborhood Watch is in need of your participation. It is a good program and it needs you to make it a success. They are not having meetings during the summer, but National Night Out is August 2nd; and my husband and I would like to invite the citizens of Onley to join us on our patio for an ice cream

social from 6:30-8pm in observance of this night. In September please come out on the second Wednesday of the month at 7pm at the Fire & Rescue Building on Maple Street and give your support to this group. We need to have a network in place to get pertinent information to our citizens.

The Town bulletin board has Town news, bulletins, and the Newsletter posted there. The Town's website is up and running. (townofonley.org). There are still a few copies of George McMath's book-GROWING UP IN ONLEY-available at the Town Office. The 2011 Veterans Day Celebration is in the planning process. Jimmy White and Mark Williams are the co-chairmen for the 2011 Veterans Day Celebration which is scheduled for November 5, 2011. We

hope it will be bigger and better than ever. Please contact the Town Office @757-787-3985 if you want to help with this event.

During the November 8, 2011 election, the residents of Onley will have the opportunity to vote for two candidates for Town Council to fill the seats vacated by Billy Ferguson and Teresa Erdman until their terms would have expired (June 30, 2012).

When a holiday falls on Monday, trash pick-up will be on Wednesday that week.

Please keep this newsletter handy for the dates and times of upcoming events. This is your Town and we need your support.

Thanks to the employees of Onley for the great job(s) they do.

Billye D.

ONLEY POLICE BLOTTER

Greetings from the Onley Police Department. Summer is here! The Town will be getting a facelift- better known as a road resurfacing. It will be inconvenient while it's happening, but hopefully a smoother ride when it's completed. Please be extra careful and watch for the construction workers.

Please remember that at our stoplight downtown there is only one lane of traffic in each direction and do not try to make it two! Right turns at a red light are only legal after coming to a complete STOP and

yielding to oncoming traffic.

Remember to wear your seatbelts and have your current decals displayed as we are conducting random safety checkpoints in Town.

Please remember that if you need anything, the Police Department is here to help. Please feel free to call on us at anytime.
