Message from the Mayor

Since it has been a few months since our last newsletter, there is much to share with the citizens of Onley. The Town Council has agreed to be responsible for the delivery of the newsletters, so I hope that we can be more regular with the publication. Neighborhood Watch is in need of your participation. It is a good program and it needs YOU to make it a success. We need to have a network in place to get pertinent information to our citizens. Remember that the Town bulletin board has Town news, bulletins, and the Newsletter posted there. The Town's website is up and running. (townofonley.org). There are still a few copies of George McMath's book-GROWING UP IN ONLEY-available at the Town Office. There will be an election on

May 1, 2012 to elect a new Mayor and six new Council people. Don't forget to come out and vote. We are in the process of drafting the 2012-2013 Town Budget. There will be a Public Hearing coming up on that in the next couple of months. We urge you to be informed and take part in your government. Business Licenses for 2011 expired on December 31, 2011 and 2012 Business Licenses are now past due. If you should have one and don't, please get to the Town Office as soon as possible with your application. 2012 vehicle decals are now on sale and need to be displayed on your vehicles by April 15, 2012 in order to avoid a fine. You will need your current vehicle registration and your personal property taxes must be current. Personal Property and Real Estate

Taxes were due back in December. If you have not paid them, a penalty and interest will be added at the time of payment. Pay now to avoid more interest. A Spring Fling -the third annual-is in the planning process. Save the date of Saturday, May26, 2012 with a rain date of Monday, May 28th. We will again do our best to have a list of anyone participating with a yard sale, sidewalk sale, or other fun events on that day. Contact the Town Office for more information.

Please keep this newsletter handy for the dates and times of upcoming events. This is your Town and we need your support. Thanks to the employees of Onley for the great job(s) they do.

Shop local and support our local merchants.

Greetings from the Onley Police Department. Spring is here! Kids are out playing and Daylight Savings Time has begun. Please watch the kids and be safe. The Town will be getting some more road work done this season. It will be inconvenient while it's happening, but hopefully a smoother ride when it's completed. Please be extra careful and watch for the construction workers. Please remember that at our stoplight downtown there is **ONLY ONE LANE OF TRAFFIC IN EACH DIRECTION AND DO NOT**

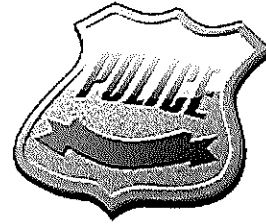

ONLEY POLICE BLOTTER

TRY TO MAKE IT TWO!

Right turns at a red light are only legal after coming to a complete STOP and yielding to oncoming traffic. Remember to wear your seatbelts and have your current decals displayed as we are conducting random safety checkpoints in Town. Obey the traffic signs in Town.

Please remember that if you need anything, the Police Department is here to help. Please feel free to call on us at anytime.
