Property @ 25571 East Main Street

After much discussion and careful consideration, the following are some of Council's concerns about the proposed building plans:

- Rubber Roofing Costs
- A possible need for more closets with locking capability
- Ample insulation in the walls to provide privacy
- Birch doors to keep sound out
- The size of the windows
- Tile in the lobby, bathrooms & utility room/high grade industrial carpet everywhere else
- A hook up for a generator

Council will have Mr. Finney look into grant money available for the purchase of office furniture and computers.

Everyone is in favor of the clock cupola.

Mr. Dennis would like to move the parking area to the opposite side of the lot. Council agreed. Mr. Dennis suggested using stone in the parking lot. Mr. Finney agreed.

There was some discussion as to where sidewalks need to be located.

Mr. Finney will contact Mr. McArthur to make him aware of the above concerns and have him attend the March meeting.
