Cont'd Discussion/Adoption of 2015-2016 Budget Work Session

Niall Finnegan presented Council with the cost of installing electric and irrigation at the SPOTS platform. He stated that the total is \$6,145.00. He added that there is a drainage problem on Pennsylvania Avenue and the town will need to ask VDOT to come in and build up the shoulder of the road so that it stays clean. He also expressed concern that the barber shop patrons are using that stretch of land for a parking lot. Lastly, he asked that Council put \$7,000.00 in the budget to cover the cost of electric, irrigation and anything else that may arise.

Mayor Pierson explained that we cannot add any money to the bottom line of the budget; however, Council can move the \$6,000.00 that was earmarked for the new town office since there are no longer plans to proceed with that project. Mayor Pierson would like for Council to also consider adding some money to the employee bonus line item. After some discussion as to where the additional money will come from, Chief Spivey suggested that Council take \$1,000.00 from the PD Equipment Expense line item.

Motion: To approve the 2015-2016 Proposed Budget moving \$6,000.00 from 10-660-050 and \$1,000.00 from 10-680-030 to 10-660-107 Donations (\$10,200.00) and 10-660-151 GG Employee Bonuses (\$1,800.00) by Don Strautz and seconded by Matt Hart.
