# The Onley Police Department

Greetings from your police department! Summer is once again upon us, as is the traffic, which is keeping our police officers very busy. People are eager to travel Route 13 enroute to their destinations. Our officers want to help them get there safely. The hot summer months have proven once again to be busy ones. The summonses issued and arrests in the Town continue to be on the rise. Children are out of school so please keep an eye out for them and remember to buckle up those seat belts when driving. Also, be mindful of pets with the hot weather upon us.

Finally, congratulations to John Spivey on his promotion to Sergeant and Jamie Coulbourne on his promotion to Corporal. Our entire department is here for you. Please feel free to call on us any time.

## A Message from the Treasurer

I am happy to announce that we have been granted a total of \$1,060.00 for the 2013-2014 Litter Prevention & Recycling Grant.

With this money, the Town has purchased “litter grabbers”, trash bags and gloves. Anyone interested in helping with litter clean-up around Town should stop in and we’ll be happy to provide these for you. Billye D. & S.P. “Rosebud” Custis have already taken advantage of this opportunity and have done a wonderful job of cleaning up various problem areas in Town. Thanks to both of them!

Just a reminder that 2014 Business Licenses were due **March 1, 2014**.

Town Decals on any and all vehicles, motorcycles, and trailers were due **April 15, 2014**. You can purchase your decal at the Town Office. You must have paid your personal property taxes and bring your DMV registration as well. Violators will be ticketed.

If you have any questions or concerns about your Town, please feel free to contact Jamey at the Town office

## Veteran’s Day Celebration

It’s never too early to mention our annual Veteran’s Day Celebration which is scheduled for Saturday, November 8, 2014. As you may know, the celebration begins with a parade through Town honoring all of our Veterans and concludes with a celebration at the Fire House with food and entertainment. The committee needs volunteers to help plan the event and to assist on parade day. So, if you would like to offer your help, please stop in or call the Town Office at 787-3985. The veterans seem to enjoy this event very much, meeting and greeting friends and eating lots of great food.

There is still a vacancy on the BZA (Board of Zoning Appeals. Anyone interested in filling that vacancy should contact the Town Office.

The Town of Onley is covered under Accomack County’s open Burning Ordinance. Please refrain from burning & smoking your neighbors’ homes. You can read the ordinance at [www.co.accomack.va.us/codes\\_ordinances.html](http://www.co.accomack.va.us/codes_ordinances.html)
