**Zoning Administrator Vacancy**

Mayor Pierson stated that the purpose of this meeting is to talk with Mr. John Pavlik about the zoning administrator vacancy. Mr. Finney asked Mr. Pavlik what interests him about the Town of Onley and the zoning administrator position. Mr. Pavlik stated that he really likes the Town of Onley and feels that great things are about to happen here. He added that he has many years of experience in local government and feels that he can contribute more to the Town than just being the zoning administrator. He spoke of his qualifications and experience adding that he is very excited to be a part of the growth that is yet to come. Mr. Finney stated that this position requires someone who is good with dealing with the public. Mr. Pavlik agreed that people skills are a must and helping people is a necessity. He stated that he enjoys working with people. Mr. Gardner asked Mr. Pavlik how he learned about the vacancy so quickly. Mr. Pavlik stated that he networks and basically heard by word of mouth. Ms. Dize asked Mr. Pavlik if he would be satisfied with only a few hours a week since that is all this position requires. Mr. Pavlik responded that he would but that he would also be willing to help in other areas if needed. Mr. Engelhart stated that he has no set office hours but suggested that Council consider making that a requirement for this position. Mr. Pavlik concluded that he was very involved with building a municipal building at one of his prior positions and feels that he would be very beneficial to the Town with the projected new Town Office.
