## Fall 2024

Hello neighbors! Cooler fall weather is almost here, and this is a great time of year to do those home improvements that you might have put off because of the hot weather we just experienced. Kindly remember that you need to get a Zoning Permit for any work that you do on the exterior of your home or yard. These include installing any kind of fence, deck, room additions or adding a secondary structure like a shed or garage. You can print a zoning application from the town website [www.townofonley.org](http://www.townofonley.org). Bring your completed permit along with any required information and payment (we now take credit cards) into the Town Office for completion. We also have applications here at the office. Please call 757-787-3985 with any questions concerning Permits.

Construction on the new Public Works Garage on E. Main St. is progressing and we hope to have the building up by the end of October.

New Christmas pole lights and a new 18' Christmas tree for the park have been ordered for the town – STAY TUNED!

If you haven't already, please join our Facebook Page, **Town of Onley**. We will be posting town news and events to keep residents informed.

On October 1, the Onley Police Department is hosting National Night Out. Join us at the George N. McMath Park from 5:30 to 7:30 to meet your local law enforcement, eat some free food and have a fun-filled family-oriented evening.

After a great success last year, Onley is again hosting Trunk-or-Treat on October 31 from 5-8 pm at Pennsylvania Ave. along the old train tracks. If you would like to participate and hand out treats, please call the Town Office to register. If you decide at the last minute, just come by and we will find you a spot!

Other upcoming events held at McMath Park will be a Veterans Day event on November 9 and a Holiday Tree Lighting event December 1. More information will be posted online (town website and Facebook) as plans are finalized.

Lastly, I remind you to come out to the polls and vote on Tuesday, November 5, 2024.

Susan Rillo, Town Manager

# Onley Police Department

The Holiday season is quickly approaching, especially Halloween. If you plan on taking your family trick-or-treating, please follow these simple steps for a safe Halloween:

**Costume Safety** – Make sure to choose a costume that won't cause safety hazards.

- All costumes, wigs and accessories should be fire-resistant
- If children are allowed out after dark, fasten reflective tape to their costumes and bags, or give them glow sticks
- When buying Halloween makeup, make sure it is nontoxic and always test it in a small area first
- Remove all makeup before children go to bed to prevent skin and eye irritation

**Keep the following tips in mind when your children are out on Halloween night:**

- A responsible adult should accompany young children on the neighborhood rounds
- If your older children are going alone, plan and review a route acceptable to you
- Agree on a specific time children should return home
- Only visit homes with a porch light that is turned on
- Teach your children never to enter a stranger's home or car
- Instruct children to travel only in familiar, well-lit areas and stick with their friends
- Tell your children not to eat any treats until they return home
- Children and adults are reminded to put electronic devices down, keep your heads up and walk, don't run, across the street

**Safety Tips for Drivers** – and anyone who plans to be on the road during trick-or-treat hours:

- Watch for children walking on roadways, medians and curbs
- Enter and exit driveways and alleys carefully
- At twilight and later in the evening, watch for children in dark clothing
- Discourage new, inexperienced drivers from driving on Halloween

As Thanksgiving and Christmas shopping season approaches, be very mindful of your surroundings. Take special care in protecting credit card information, wallets, and your shopping bags.
